

Before signing on to the ASCU Anytime Mobile App you must set up your account through Anytime Home Banking.

Log in to Anytime Online Home Banking, Select the **Settings** tab.

Select the **Mobile Settings** link from the tool bar.

Select the box to Enable Web Access, fill in the required fields regarding phone number and provider, and Select each account that you want access to while using the phone app. If the account name is not selected, you will not be able to see the information on your mobile device. Select Submit to save your changes.
