## **New technology is coming!**

### **What Is On Your Online and Mobile Banking Wish List?**

Do you want statements available on the mobile app? Online banking that will integrate into QuickBooks? How about an easier way to transfer money? How about Video Banking or Chat features?

Help us grow into a great future by providing your wish list for online and mobile banking.

**We want to hear from you! Email your banking technology wish list to Kristin at [ascunews@ascu.org](mailto:ascunews@ascu.org)**

Our 2020 Financial Education Workshops started out with a great success in Douglas, AZ! This two-day workshop, tailored for teens and young adults, focused on the basics of financial education, fiscal responsibility, and a pathway to a financially successful life. We had so much fun! The program can be tailored for teens, adults, and for companies wishing to offer it for their employees. For more information on this free program, reach out to Kristin at [kgray@ascu.org](mailto:kgray@ascu.org)

## ASCU FINANCIAL EDUCATION WORKSHOP STUDENTS

AMERICAN  
**SOUTHWEST**  
CREDIT UNION

**DOUGLAS, AZ**

This summer we had another great opportunity to spread the word about financial education. ASCU brought financial education curriculum to teachers through the Cochise County Superintendent's Office. Thanks Jacqui Clay, Ben, and Ibrahim for having ASCU as your partner in this endeavor!

This donation stays right here to help the National Alliance on Mental Health in Southeastern Arizona. NAMI SEAZ brings hope, support and encouragement to those impacted by mental illness, and raises awareness in our communities, helping to fight the stigma surrounding mental illness. NAIMI SAEZ serves the Arizona counties of Cochise, Graham, Greenlee and Santa Cruz.

We are helping our local chapter for suicide prevention with a small donation for the Suicide Prevention Walk. The walk is scheduled for October 23, 2021.
