MEMBER HIGHLIGHT: Chapo's Cocina Food Truck and the Camacho Family

We want to celebrate our hard working members and celebrate their business victories! The Camacho family has a new food truck business in Sahuarita and Green Valley and their food is simply AMAZING! Their food truck, named **Chapo's Cocina** features out of this world Mexican food. More traditional food truck menu items include Tacos, Burros, and Quesadillas, but Chapo's Cocina also includes some unusual food truck menu items such as Coctel de Camaron, Ceviche de Camaron, Shrimp Coctel, Campechana (sea food cocktail), Octopus Coctel, 7 Seas Soup, and Quesabirrias. They make everything from scratch, have the best homemade corn tortillas and the best carne asada I've ever tasted. This is a must-go in the Sahuarita Green Valley area. You can usually find the truck at Sahuarita Plaza parking lot (same plaza as Big Lots and Ross).

Find them on Facebook at: [Chapo's Cocina](#)

Kristin, Content Manager for American Southwest Credit Union and Yesenia, Branch Manager of ASCU's Sahuarita and Benson branches visit Chapo's Cocina for lunch.
